Industrial Technology Hub

TOTAL INDUSTRIAL ENGINEERING SOLUTIONS
FROM CRITICAL COMPONENTS TO COMPLETE SYSTEMS

AI Go Digital GlobeTech

Mission

Global Brands under One Roof

Vision

Leader in Engineering Solutions

Values

Excellence • Integrity Team Spirit

Goal

The Global Industrial Engineering hub

Trusted Global Brands

Sourced from Leading OEMs

Your Global Sourcing Partner for Industrial Technology Products – Certified Quality, Premier Customer Service

FLOW CONTROL VALVES & ACTUATORS

BALL VALVES
Shut-off & control valves in threaded/flanged ends, wide pressure & material range

BUTTERFLY VALVES
Concentric, double & triple offset valves in wafer, lug & flanged designs

GLOBE & GATE VALVES
Threaded & flanged valves in CS/SS with ASME class pressure ratings

CHECK & NON RETURN VALVES
Backflow prevention valves in CS, SS & bronze with threaded or flanged ends

SAFETY RELIEF VALVES
Pressure safety valves in bronze, CS & SS with threaded & flanged options

VALVE AUTOMATION SOLUTIONS
Electric, pneumatic & hydraulic actuators with complete automation systems

FLUID POWER – INDUSTRIAL & MOBILE HYDRAULICS

HYDRAULIC PUMPS
Gear, piston, vane & digital pumps for mobile & industrial applications

HYDRAULIC MOTORS
Durable LSH & high-speed motors with variable displacement controls

ACTUATORS, CYLINDERS & ACCUMULATORS
Linear cylinders & accumulators for energy storage & motion control

SERVO VALVES & PROPORTIONAL VALVES
High-precision valves for accurate motion, pressure & force control

HYDRAULIC POWER UNITS (HPU)s
Compact, self-contained HPUs delivering reliable hydraulic power

ELMOR MOTORS
Custom explosion-proof motors, ATEX & IECEx certified for harsh sites

FLUID POWER CONNECTION

HYDRAULIC TUBES
Seamless CS, SS & CRA tubes, precision-drawn for strength & reliability

TUBE FITTINGS
Leak-free DIN, flare & ferrule fittings for high-pressure hydraulic systems

HYDRAULIC VALVES
Durable ball, needle & check valves for critical hydraulic applications

TUBE & PIPE CLAMPS
Heavy-duty clamps for secure, vibration-free tube & pipe installations

SAE FLANGE CONNECTORS
ISO 6162 / SAE 3518 flanges in steel & SS for high-pressure connections

ANCILLARY ITEMS
Test points, couplings, flanges & protectors ensuring system efficiency

FLUID CONVEYANCE SYSTEMS

HYDRAULIC & INDUSTRIAL HOSES
High & low-pressure hoses built to SAE, ISO & EN standards for reliability

THERMOPLASTIC HOSES
Flexible thermoplastic hoses with high pressure & chemical resistance

HOSE FITTINGS & ADAPTERS
Steel, SS & brass fittings in BSP, NPT, ORFS & JIC for leak-free connections

INDUSTRIAL & PROCESS HOSES
Durable hoses for chemical, steam, food, marine & off-shore applications

QUICK COUPLINGS & CONNECTORS
Leak-free hydraulic & pneumatic couplings for fast, safe connections

CAM & GROOVE CLAMPS
Cam & groove clamps with secure grip for safe hose & coupling connections

FILTRATION & SEPARATION SOLUTIONS

FUEL FILTRATION SYSTEMS
Fuel filters & separators for clean, reliable engine & power generation use

HYDRAULIC & LUBRICATION FILTRATION
Hydraulic & lube filters ensuring clean fluid, system life & performance

AIR & GAS FILTRATION
Compressed air & gas filters for process, equipment & pneumatic systems

INDUSTRIAL PROCESS FILTRATION
Cartridge, bag & membrane filters for water, chemical & food industries

OIL & MIST SEPARATION
Air/oil separators & mist filters for clean, efficient industrial operation

FILTRATION ACCESSORIES & MONITORING
Filter housings, sensors & kits for reliable maintenance & performance

PNEUMATIC AUTOMATION COMPONENTS

SS FITTINGS & TUBING FOR PNEUMATICS
SS push-in fittings, quick couplers & tubing for safety & reliability

SS FILTERS, REGULATORS & LUBRICATORS
SS FRL units delivering clean, dry & regulated air for harsh environments

SS PNEUMATIC CYLINDERS
ISO & custom SS cylinders for hygienic, offshore & high-corrosion industries

SS FLUID CONTROL VALVES
SS solenoid & pilot valves certified for oil, gas & corrosive applications

SS DIRECTIONAL VALVES
SS solenoid & hydraulic valves in spool or leak-free poppet executions

SS ACTUATORS & VALVE AUTOMATION
Compact SS actuators & modules for precise automation in severe industries

INDUSTRIAL TOOLS – WELDING, LIFTING, RIGGING & TORQUE

HAND, AIR & POWER TOOLS
Durable hand, air & power tools engineered for industrial & oilfield use

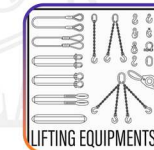

WELDING EQUIPMENT & ACCESSORIES
Arc, MIG & TIG welders, gear & consumables for fabrication & MRO

LIFTING EQUIPMENT
Hoists, chain blocks & winches built for safe, heavy-duty lifting tasks

RIGGING HARDWARE
Shackles, hooks, turnbuckles & eye bolts built to global lifting standards

SLINGS & LOAD RESTRAINTS
Wire rope, chain & synthetic slings with secure load restraint systems

TORQUE TOOLS & CALIBRATION EQUIPMENT
Manual, hydraulic & pneumatic torque tools for precise tightening control

MRO SUPPLIES & SAFETY EQUIPMENT

PPE & FIRE BLANKETS
FP, ATEX-certified PPE & fire blankets for worker safety in harsh industries

LUBRICATION SYSTEMS & COMPONENTS
Automatic grease & oil systems, pumps, valves & controllers for reliability

GAS DETECTION & MONITORING EQUIPMENT
Portable & fixed gas detectors ensuring safety in oilfield operations

MRO NON-SPARKING & ATEX TOOLS
Insulated, non-sparking & non-magnetic tools for safe hazardous use

ADHESIVES, SEALANTS, EPOXY & BONDING AGENTS
High-strength adhesives, sealants & bonding agents for industrial repairs

LUBRICANTS & ANTI-CORROSION CHEMICALS
Industrial oils, greases & inhibitors for protection & equipment longevity
